

South Carroll Swim Lessons

The instructors at South Carroll Swim Club have developed a variety of aquatic programs with the highest level of service and professionalism. It is important for your child's enrichment to create the best learning atmosphere as

Friendly Reminders:

- *Children may be moved to a different class after the first day only if space is available.
- * In order for a class to run, 3 participants must be enrolled.
- *ALL class registration is on a first come first serve basis.
- *Payment must be turned in with registration
- *Fridays will be makeup days for weather
- *\$40 dollars per class

possible. The swim lesson program is designed with special attention given to individualized instruction, small class size, and experienced and friendly instructors. Children learn to work in a group setting and receive one-on-one instruction at various points of the class.

Morning Sessions: (Fridays will be weather related makeup days)

Session I: June 19th- June 30th, M- Th, 11-11:30 or 11:30-12

Session II: July 3rd- July 14th, M-TH, 11-1:30 or 11:30-12

Sessions III: July 17- July 28th, M-TH, 11-11:30 or 11:30-12

Evening Sessions:

Session I: July 3-July 14th, M-TH, 5-5:30 or 5:30-6

Where do I place my child?

Class descriptions are attached to the registration form. You may also request to have your child evaluated and placed accordingly. We also offer Private lessons!

Child Name _____ Age _____

Parent Signature _____

Parent and Child Aquatics (6 months to approximately 3 years)

Parents and children learn together to increase a child's comfort level in the water and build a foundation of basic skills, such as arm and leg movements and breath control. The two levels are fun-filled and help introduce water safety concepts, encouraging a healthy recreational habit that your entire family can enjoy.

Preschool Aquatics (approximately 4 to 5 years old)

Throughout the three levels, preschool-age children are taught basic aquatic safety and swimming skills, all the while increasing their comfort level in and around the water. Skills are age-appropriate, helping children achieve success on a regular basis and enjoy social interactions with other children. As in all Swimming and Water Safety courses, your child will always know that it's safety first.

Level 1—Orients children to the aquatic environment and helps them gain basic aquatic skills.

- Blow bubbles through mouth and nose
- Submerge mouth, nose and eyes
- Front Float
- Front glide
- Back glide
- Back float
- Begin learning arms and breathing

Level 2—Helps children gain greater independence in their skills and develop more comfort in and around water.

- Bobbing
- Front float
- Back glide
- Roll from front to back and back to front
- Tread water using arm and leg actions
- Combined arm and leg actions on front

Level 3—Helps children start to gain basic swimming propulsive skills to be comfortable in and around water.

- Bobbing
- Rotary breathing
- Change direction of travel while swimming on front or back
- Treading water
- Combined arm and leg actions on front and back
- Finning arm action on back

Learn-to-Swim (children approximately 6 years through teen)

Designed to help participants achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers of varying ages and abilities develop their water safety, survival and swim skills.

Level 1—Introduction to Water Skills

Helps participants feel comfortable in the water.

- Blow bubbles through mouth and nose
- Bobbing
- Front and back glides
- Back float
- Roll from front to back and back to front
- Combined arm and leg actions on front and back

Level 2—Fundamental Aquatic Skills

Gives participants success with fundamental skills.

- Fully submerge and hold breath
- Bobbing
- Rotary breathing
- Roll from front to back and back to front
- Tread water
- Change direction of travel while swimming on front or back
- Combined arm and leg actions on front and back

Level 3—Stroke Development

Builds on the skills in Level 2 through additional guided practice in deeper water.

- Headfirst entries from the side in sitting and kneeling positions
- Rotary breathing
- Back float
- Tread water
- Flutter and dolphin kicks on front
- Scissors and breaststroke kicks
- Front crawl and elementary backstroke
- Plus age-appropriate water safety topics

Level 4—Stroke Improvement

Develops confidence in the skills learned and improves other aquatic skills.

- Headfirst entries
- Swim underwater
- Survival swimming
- Open turns on front and back
- Tread water using 2 different kicks
- Front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly
- Flutter and dolphin kicks on back

Level 5—Stroke Refinement

Provides further coordination and refinement of strokes.

- Shallow-angle dive from the side then glide and begin a front stroke
- Tuck and pike surface dives, submerge completely
- Front flip turn and backstroke flip turn while swimming
- Front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly
- Sculling
- Plus age-appropriate water safety topics

Level 6—Swimming and Skill Proficiency

Refines the strokes so participants swim them with ease, efficiency, power and smoothness over greater distances. Level 6 is designed with “menu” options that focus on preparing participants for more advanced courses, including the Water Safety instructor course, or other aquatic activities, such as competitive swimming or diving. Each option also includes applicable water safety topics.

Options include the following:

- Fitness Swimmer
- Personal Water Safety
- Fundamentals of Diving
